READ IT

This week's Bible story is

Baby Moses

from Exodus 2:1-10.

God works with us to do great things!

Ask each other what you remember about:

- Nile River
- Slaves
- Pharaoh, King of Egypt
- Miriam
- Baby Moses
- Hebrews

Many people in the Bible had names that meant something or told part of their story. "Moses" comes from a Hebrew word that means "to draw out."

Read the whole story together in the Bible!

Family Prayer

Thank you, God, for taking care of babies like you took care of Moses. Give us faith that you can use anyone to do good work in our world. AMEN.

TALK ABOUT IT

Family Conversations

1 How do we take care of babies today? How is it the same or different from Moses' time?

2 What makes you feel safe? Unsafe?

3 When have you been helped by an unexpected person?

4 Take turns giving each other names that mean something.

Eye Spark

Next time you see a baby, remember how much God loved Moses (and loves every baby!) in the world.

Ear Spark

Listen for babies crying, like Moses in the basket. It means they need something. How can you help the one you hear?

LIVE IT

For families to do together

Gather items to give to your local crisis nursery or a new family with a baby in your community. Include things a new baby or parent needs: diapers, a bright, hand-drawn picture, blankets, books, clothing, a car seat, babysitter referrals. Then deliver it together.

For younger kids

Do something great and unexpected to help a family with a new baby.

For older kids

Use the internet to find out what the names of the people in your family mean.
