

First and Last, Last and First

Jesus told his disciples that whoever wants to be first must be last of all and servant of all. Try this first-and-last word game with a partner. Write a word in the grid squares. Your partner then writes a word that starts with the last letter of your word. See how much of the grid you can fill up with these words before you run out of space or ideas! Two words have been included to get you started. For an extra challenge, choose a category for the words, like animals, first names, or places.
