

WILL OFFERS FIVE GUIDELINES FOR HELPING US INTERPRET SCRIPTURE. AS YOU WORK THROUGH THIS PAGE, BE SURE TO INCLUDE SPECIFIC EXAMPLES OF THE WAY YOUR FAITH COMMUNITY WORKS TO INCORPORATE THESE GUIDELINES INTO YOUR LIFE TOGETHER.

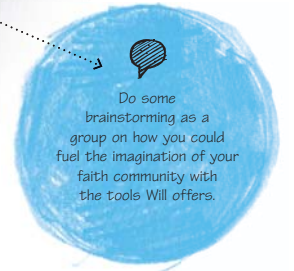

WHAT DO YOU THINK WILL means when he says the Bible is "a book of imagination"?

TURNING INTERPRETATION OVER to the community brings risks—wrong-headed ideas, disagreements, the baggage of previous experience. How do you feel about those risks?

Ask group members to share their experiences using any or all of these tools in a community of faith. When have these tools been helpful? Have they ever failed you?

Do some brainstorming as a group on how you could fuel the imagination of your faith community with the tools Will offers.
