

RENEW ROTATION SCHEDULE

ReNew VBS materials can be adapted to use in a half-day, full-day, or evening VBS program. Here's a sample schedule for how groups could rotate through a VBS day and activity sites based on a 3-hour program. Adapt it to meet your VBS schedule.

TIME	GROUP A [Lower Elementary]	GROUP B [Lower Elementary]	GROUP C [Upper Elementary]	GROUP D [Preschool]
9:00–9:30	GATHER			
9:30–10:00	Self Activity Site	Community Activity Site	World Activity Site	Preschool Activity Site
10:00–10:30	Snacks/Games	Snacks/Games	Snacks/Games	Preschool Activity Site
10:30–11:00	Community Activity Site	World Activity Site	Self Activity Site	Snacks/Games
11:00–11:30	World Activity Site	Self Activity Site	Community Activity Site	Preschool Activity Site
11:30–12:00	SEND			

Note: Activity sites may need to be shortened slightly to account for travel time to the next activity site.

ReNew Tip: Depending on the size of your program, you may want to combine two or three small groups to rotate through the activity sites together with their shepherds. See the schedule template on page A-7 for help planning your rotation schedule.
