Helping Humans Prayer Project

Ruby and her family are going to help the Houses for Humans project. She reminds Leo that God wants us to hear God's call and help others. One way of helping is to pray for others, even those we don't know—even if they live across the globe!

Cut apart the words on the next page and use them to create your own Prayer for the World. You can tape or glue them on a piece of paper, or keep them loose to keep making up new prayers. Use the blank pieces to write your own words if you need them.
