BINGO!

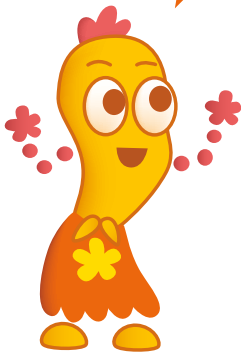

Leo, Ada, Otto, and Tot were stuck in the car for quite a while. Are you going on any holiday car trips this year? Print out a few copies of the Instant Advent BINGO cards on the next few pages and keep an eye out for the objects while you're traveling. Better stay awake. You might miss something!

Be sure to plan your road trip route carefully. And a backup route in case of construction. And a backup route to the backup route. Just in case.

Car trips are so fun! I love time with family.

Don't forget the Christmas cookies!

Bingo!
