The New Placard Affair

☞ The Instructions ☜

Cut out the Keep/Drop/Create Cards on page 21.

Everybody gets ONE of each.

Go through the Sanctuary and Post them in Appropriate Places.

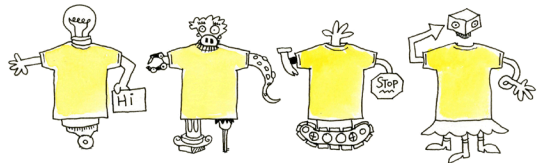

(Example: **Keep the Hymnals** goes on a pew rack)

Post pictures and your group's suggestions to the re:form Gallery.

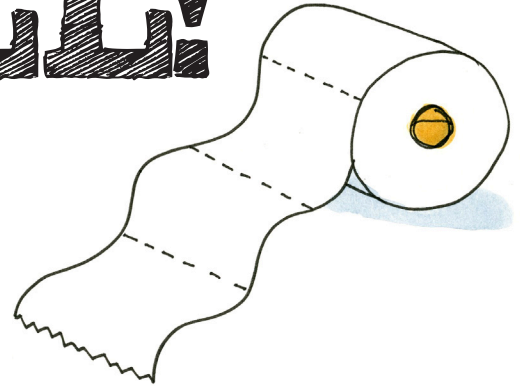

Hymnals · Pews · Table · Pulpit · Offering Plate · Stained Glass Windows · Sermon · Organ · Electricity · Ministers · Carpet

Get in a circle (around a table is best). Draw an arm or leg or head or something to start creating this Changeoid. When you hear "GO" pass the book to your right. Add another "something" to the Changeoid you receive. No fair repeating yourself. Compare your drawings and post to the re:form Gallery.

On Your Mark... Get Set... SCROLL!

Form teams. One roll of T.P. per team.
Start from what your team THINKS is the MOST IMPORTANT SPOT in the sanctuary.
Station one person there with the T.P., then spread your teammates to other IMPORTANT SPOTS. TOSS or ROLL your 'scroll' to the next person. If it BREAKS, start over.

Keep rollin' until you're down to just the tube.

Have an impartial judge decide who WINS...

Don't forget: Clean up AFTER you take a PICTURE + post to re:form gallery!

Use your Anti-Workbook to BAT the T.P. ALONG!

You're ON A ROLL! What else could you use?
(Crepe paper, adding machine paper, wrapping paper, paper towels?)
