

Help a Friend

The people are listening to Jesus. Let's help other people listen to Jesus too!

Sign Time: Listen to Jesus!

Let's use our ears to *listen* to Jesus. Let's use our hands to *listen* to Jesus.

FAITHontheGO!

Have fun using your ears to listen this week. Every time you want your child to listen to you, tug gently on your ears. Watch as kids begin to use their ears when they want you to listen to them.
